How to deposit checks with the Wells Fargo Mobile® app
Visit wellsfargo.com/mobiledeposit to learn more.

Sign on to the app, select **Deposit** from the bottom bar (image not shown), then follow these simple steps.

1. **Select** the account you want to deposit the check into. Then select **Amount**.

2. **Enter** the amount of your check, then select **Continue**.

3. **Enclose** your check:
   - Before you take your check photo:
     1. **Sign** the back of your check.
     2. Write "Mobile deposit on <date>" on the front of the check when you’re done. Keep the check secure for five days to ensure it clears and then destroy it.

4. **Deposit** cutoff time is 9:00 p.m. Pacific Time.

Funds are generally available the next business day if the cutoff time is met and no hold is applied.

5. **Take** photos of the front and back of the check. If a hold will be applied to your deposit, you'll see a message, including when funds will be available. You can choose to cancel the deposit at this time.

| Deposit limits and other restrictions apply. Some accounts are not eligible for mobile deposit. Availability may be affected by your mobile carrier’s coverage area. Your mobile carrier’s message and data rates may apply. See wellsfargo.com/online-banking/online-access-agreement for other terms, conditions, and limitations. |
| Some holds may also be applied after the deposit is submitted, and in such case, you will receive notification from us. Please refer to our Online Access Agreement (https://wellsfargo.com/online-banking/online-access-agreement) for more information. |
