

Pay bills through the Wells Fargo Mobile® app

Take a tour at wellsfargo.com/digitaltours.

Sign on to the app¹ from your mobile device and follow these simple steps to use Bill Pay. Turn page over for steps to pay bills through a browser.

Select **Pay & Transfer** from the bottom bar, then select Pay Bills.¹

Select **Get Started** after reviewing a short introduction.

Your Wells Fargo accounts automatically show. Add payees by searching for them or take a photo of your bill or use a QR Code.

Select the payee's address from your search results (image not shown). Make sure it matches the one on your bill, then add your account details.

Enter your payment amount and select the send on date.

Tips about scheduling payments

- Edit or cancel payments until 7:00 p.m. Pacific Time. Wells Fargo Same Day PaymentsSM cutoff times may vary.

Use the calendar button to see when funds will be sent and delivered.

Discover the benefits of Bill Pay

- Pay multiple bills from an eligible account using one username and password instead of visiting individual biller websites.
- Set up to receive eBills for payees offering electronic billing.
- View payment history and proof of payment if needed.

1. Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.

Sign on using a browser and select Pay Bills from the Transfer & Pay tab

Visit wellsfargo.com/online-banking/bill-pay to learn more.

Select Get Started to continue to add payees and schedule payments as shown.

Add Payee
